**New Business**

- 1. Preliminary application meeting for Larry Pelletier in regards to Frenchman Lane Subdivision, next phase building of four more units.**
- 2. Building Application for site plan review of KAF Carter Properties LLC.  
To expand their original building due to business growth, and further traffic.  
Application fee has been paid**
- 3. Building application from Mike LaBrie who is in the process of purchasing Bob's Kozy Corner Pizza and takeout food services. Application fee has been paid  
Mike would like to expand the Kitchen airier for better cleanup and food processing.  
I advised him that the building is already out of variance, due to lot size and and building Squair footage. Mr. LaBrie is willing to give up 18 feet of the deck on the right side of the building which would cover the addition and will not increase the total Squair footage.**
